Safety Security Advocate

2 – What are your current roles & responsibility?

- Responsible for safety aspects of the Distribution Center.
- Document safety violations to share learning moments with operators working in the distribution center
- Also responsible to ensure security aspects of the distribution center is implemented & followed

3 - What were some challenges you faced regarding picture documentation & storage in the warehouse prior to adopting Loadproof?

- Prior to Loadproof we used a camera, biggest issue was getting the pictures uploaded.
- We have to manually copy the pictures from the memory card of the camera to the PC and then save them in a folder.

4 - How did LoadProof solve these challenges?

- Loadproof helps since the platform allows you to upload after taking the pictures without needing to use cables.
- It is such an easy task to upload pictures and save them in the cloud

5 - How is the situation now?

- Loadproof is a big asset at our site, since it is so easy to download onto phones and ipads.

6 - Would you recommend LoadProof to other Warehouse and Distribution Center Managers?

Yes, Absolutely.

7 - Any other comments you have?

- Yes, we would recommend to other businesses,
- Also I know our entire network has adopted Loadproof at their sites.
