

LoadProof Testimonial from a Happy User

Emmanuel Bradley
General Manager
Kenco Logistics

1 - What is your current Title?

General Manager

2 – What are your current roles & responsibility?

- Own a site, responsible for everything that the site delivers
- Seasoned professional and visionary leader with a verifiable track record of more than 20 years in solving difficult and complex business issues through Logistics and Supply Chain improvements, Operational Excellence and Lean Methodologies.
- A well-established history in planning, transition, transformation and organizational development.
- Provide integrated logistics solutions including value-added distribution and fulfillment, public warehousing, comprehensive transportation management, material handling services, real estate management and supply-chain intelligence---all are engineered for operational excellence.

3 - What were some challenges you faced regarding picture documentation & storage in the warehouse prior to adopting Loadproof?

- Prior to LoadProof I was not able to
 - recall damage from previous day, weeks or even months.
 - Show Proof of load,
 - Provide proof of damage - both internal and external.

4 - How did LoadProof solve these challenges?

- Load proof, provided instant verification, saved and archived data retrieval.
- With LoadProof it was so easy to show we did our job right, by retrieving photos from the cloud, even though we did our job weeks or months ago.

5 - How is the situation now?

- Very good, all data is saved,
- Vendors are able to look at the images whenever they want with a created log in for them.
- Adds accountability to either side.

6 - Would you recommend LoadProof to other Warehouse and Distribution Center Managers?

Yes, Absolutely.

7 - Any other comments you have?

- Yes, we would recommend to other businesses,
- Also I know our entire network has adopted Loadproof at their sites.
